RE: Bid 6023, Purchase of Service Trucks for Traffic Engineering

Dear Council Members:

The service trucks we are seeking are to replace two (2) 3/4 ton pick ups; one in the Signal Division and one in the Sign Division. They are high mileage vehicles used in continuous service since 1980 and 1985 respectively. Their high repair costs exceed the value of the vehicles.

These trucks were scheduled for replacement in the Departments 1993 budget submission approved by Council in September 1992.

Sincerely,

Tom Manny
